## BALLIET PAYS HIGHEST WAGES TO WORKMEN

(Political Advertisement)  
A short time ago the miners of Tonopah asked that the wages be increased fifty cents a day on account of the high cost of living and high taxation. This request was refused, without regard to politics. Democrats, Socialists and Republicans were refused alike and all have to suffer the same conditions.

It has been said for many years that "The workers don't appreciate anything that is done for them"; that "they are just as contented with \$4 a day as with \$5 or \$6," and that "they would knife the man hardest who does the most for them." If the workers go to the polls and vote for the only man in Nevada THAT PAYS HIS MINERS FIVE AND SIX DOLLARS A DAY FOR SEVEN HOURS, they will show the people that they do appreciate what is done for them. Because a man has politics different from mine is no reason why he should knife me, for I didn't ask what the politics of the men were when I paid their wages. It will help the working men to be recognized next time they make a request, when they can show that "WE DO APPRECIATE WHAT IS DONE FOR US" and can say "WE STAND BY THE MAN WHO HAS STOOD BY US."

Working men, make it unanimous, without regard to politics. I've paid the best wages—paid higher wages than Henry Ford pays, and for seven hours—and have done it for years.

I paid these wages before anyone ever heard of Henry Ford. It's the only request I've ever asked of the working men, and I ask now that I have your support for the office of sheriff and assessor on November 7th, without regard to politics. MAKE IT UNANIMOUS, and after I am elected you may ask favors of me and be sure of every effort on my part to grant them.

MAKE IT UNANIMOUS.

LETSON BALLIET.

JOHN D. "JACK" GRANT  
CONSTABLE CANDIDATE

(Political Advertisement)

"Jack" Grant's name is as familiar on the lips as one's own. Every school child in town knows this gentleman and loves him, while every law breaker and bad man knows and fears him. Who was to be found on the job every minute of the night, when evils are most free. Faithful, diligent, fearless, active Jack Grant.

Jack Grant is a sterling man with years of experience in the duties of the office of constable to which he aspires. He promises a police service for Tonopah that will be a credit to the town, and at the same time, one that will not cost a mint to operate. Economy with the best of service will be the keynote of his administration.

Grant has a "sixth sense" for finding a criminal. It was the marvel of the past years in Tonopah how Jack Grant could smell out the culprit and land him safely behind the bars without the accompaniment of a brass band. The thing was done and the shouting came afterwards, not before.

If he is elected, the deputies who serve under him will receive the credit due them for the good services and loyal, faithful discharge of their duties. He feels the glory will be large enough to share and will not absorb the whole credit himself.

Voters, support Jack Grant to a man!

To the Voters  
of Nye County

The rumor has been in circulation for some time past that I have made pre-election promises to certain parties, promising deputyships to further my election. That assertion I most emphatically deny and I challenge any one to produce evidence to that effect.

## REPUBLICAN RALLY AT AIRDOME TONIGHT

Tonight at 8:15 sharp the closing rally of the present campaign will be given in the Airdome theater by the Republican candidates, to which everybody in Tonopah is cordially invited.

The meeting will be called to order by Chairman Grier of the Nye county central committee and each and every candidate on the Republican ticket will make a short address to the voters of Tonopah. After the candidates have completed their speaking, the Honorable Hugh H. Brown will make the closing address to the good people of this town and one of the most forceful and clever speeches delivered during this or any other campaign will be heard.

Chairman Grier wishes to announce that all Republican voters are expected to assemble at the headquarters next to the Elks home at 7:30 p. m. sharp in order that proper assignment may be given the various organizations which are expected to take part in the big street parade which will leave the headquarters at 8 o'clock sharp. The line of march will be down Main street to the depot and counter-march to the Airdome theater. All of the candidates, the Nye county Republican central committee, the Republican club, the Women's Republican Hughes and Platt club, and in fact every voter, is urgently invited to attend this, the last big rally of the campaign. Plenty of red fire will be distributed to all and the old town should take on a gala appearance when the carnival gets under way.

After the speaking in the Airdome a free dance to which all are cordially invited will be given and dancing will be indulged in until a late hour.

The county candidates on the Republican ticket this year have all been specifically picked for their fitness for the various offices to which they aspire and they have been greeted by the people of Nye county in a manner which has led them to believe they will receive the endorsement of the voters in the election tomorrow.

There never has been a campaign in Nye county which has been conducted along the lines of the present one and in which the care has been exercised in the choosing of the men running for office as those on the Republican ticket this year. Each and every man is pledged to conduct the county affairs with the greatest care and efficiency, and all are in sympathy with the movement now under way to secure a reduction of the high taxes in Tonopah and the county.

Don't forget the time and place: Airdome theater, tonight at 8:15 sharp. Hon. Hugh H. Brown, principal speaker. Big free dance to which all are cordially invited after the speaking. Hear from each of the candidates what they have to say regarding the manner they will serve you if supported by your votes at the election tomorrow. Music: Tonopah military band. Big street parade at 8 p. m. with lots of red fire and excitement.

## GOOD MEN AND TRUE

Harry M. Atkinson came to Tonopah when a fledgling attorney and he staid with the camp, built a home and reared a family here. He proved his worth as a man and a judge, as well as an attorney, while holding the position of justice of the peace. He is no mere importation. He is a man of the people and for the people.

For efficiency and economy in the administration of county affairs, vote for Letson Balliet for sheriff and assessor. He is the workingman's friend.

W. B. (Bill) Evans is an efficient officer and deserves to be re-elected constable of Tonopah township.

Vote for Frank Cavanaugh for justice of the peace. He is well qualified to fill the position.

Arthur H. Keenan is familiar with the duties of the office of public administrator, having filled this position very creditably during his former tenure.

Arthur S. Putney is a student of parliamentary law, a progressive mine

operator and a builder of the district in which he is engaged. Vote for him for the assembly.

Don't overlook A. B. Perkins when marking your assembly ticket. He is one of the pioneers of southern Nye, a section that has not had representation for eight years.

Harry McNamara, Republican candidate for assemblyman, is a substantial and progressive citizen, engaged in the upbuilding of this mineral empire. Vote for him for the assembly.

R. E. (Bob) Richard is a most popular and capable young man and will serve his constituents well in the state legislature. Vote for Bob.

Even if Mr. Ray has no opposition for county surveyor, vote for him anyway. It will be a vote of confidence, of which he is well worthy.

"Ben" Franklin has made a splendid county treasurer, with his books and cash always balancing to the cent. Vote for him for re-election.

## SANDERS LOSES HIS ELKO COUNTY CASES

The district attorney of Nye county spent nearly a month over in Elko county prosecuting, in the stead of the regular district attorney, three defendants in the Connell case. Mr. Sanders got considerable publicity while the preliminary was in progress through methods that did not appeal to the people of that county, in which he intruded himself. Now comes the grand jury and exonerates Joseph M. Taber and H. U. McMurtrey, the defendants. The grand jury was complimented by Judge Ducker. Nye county paid J. A. Sanders his usual salary while he was away on this trip.

The complaining witness, Mrs. Connell, who attempted to poison her husband, is now spending a ten years' sentence in the state penitentiary. It was another of those frameup cases and Elko county was put to enormous expense.

RE-ELECT W. B. EVANS,  
THE MAN WHO HAS MADE GOOD

(Political Advertisement)

W. B. Evans, Republican candidate for constable of Tonopah township, has made good in that office, and at this time is asking the support of the voters of Tonopah township, and he points with pride at the record that he has made during his term of office, which is summed up in the following:

Mr. Miner:—I have tried my best to give to the miner of Tonopah every freedom possible, and I have stood for their best interests at all times, and if re-elected I promise to protect their interests at all times as I have done in the past.

Mr. Business Man:—I have done my best to protect your business and property, and whenever a crime has been committed I have done my utmost to locate and punish the guilty party, and I feel safe in saying that during my term I have had two of as good officers on the night shift to protect your property as the town has ever had.

Mr. Taxpayer:—The expense of my office has been mostly in payment of the salaries of my deputies, and I am willing to leave it to you people whether or not you believe that our town should have two night men and one day man besides myself in policing a town of the size of Tonopah. The records of the town will show that the expense of my office has been small in comparison with some of my predecessors in office. My record as an officer is known by you all, and now as the campaign is closing I want to thank the good people for the support they have given me in the past, and if you think that I have made good in the office of constable and chief of police, I ask your support, and promise that I will fill the office if elected as good if not better than what I have in the past.

My motto is: "Charity and justice."

W. B. EVANS.
